

# EDITO MONCADA JR

## Software Engineer

+639179473193 @ editomoncada123@gmail.com  
https://edito-portfolio.vercel.app Philippines, Cebu

## SUMMARY

Passionate Software Engineer with 10+ years of experience in developing web applications and backend systems. Skilled at writing clear, concise code that is easy to maintain and troubleshoot. Experienced in working with both small and large teams across multiple projects and companies. Able to work independently of remote locations or in office environments as needed by the company.

## PROFESSIONAL EXPERIENCE

Lead Software Engineer 01/2014 - 03/2022

Ring System Development Inc (<https://ring-group.jp/>) Philippines, Cebu

- Built, tested, and deployed scalable, highly available, and modular software products.
- Drafted comprehensive reports to document bugs and design flaws.
- Share knowledge and provide technical assistance to other team members within areas of expertise

Software Engineer 03/2022 - Present

Eviden (Atos Group) - (<https://eviden.com/>) Philippines, Cebu

- Develop, maintain, and support new desktop and web applications.
- Redesigned client's web-based application.
- Presenting new features to stakeholders and customers.

Software Engineer 09/2024 - Present

Workbeaver - (<https://workbeaver.com>) Philippines, Cebu

- Built the Electron-based desktop client, creating a modular component library that reduced new feature ramp-up time.
- Collaborated with the backend team to implement the "show & tell" learning interface, converting single user demonstrations into fully automated workflows.
- Developed and launched the company's marketing website from the ground up, applying UI/UX best practices to deliver a high-performance, fully responsive experience across all devices.
- Engineered custom internal tools for the marketing team, automating campaign reporting and lead-generation processes to streamline operations.
